

# WACKY SLOVAK CLASSICS

## Instructions

There will be 12 classic sudoku puzzles in this competition. Exactly 8 of them will have a unique solution, while 2 of them will have multiple solutions and 2 of them will have no solution at all. It is a part of the solution to find out which of the puzzles have unique solutions and mark the remaining ones. A bonus of 3 points for each full remaining minute will be awarded to any competitor who correctly solves each sudoku. The test duration is 60 minutes.

## Points distribution

Correctly marked puzzle with no solution	+ 10 points
Correctly marked puzzle with multiple solutions	+ 10 points
Incorrectly marked puzzle with no solution	– 15 points
Incorrectly marked puzzle with multiple solutions	– 15 points

Correctly solved puzzles (based on the number of solved grids)

1 puzzle	10 points	5 puzzles	60 points
2 puzzles	20 points	6 puzzles	75 points
3 puzzles	30 points	7 puzzles	90 points
4 puzzles	45 points	8 puzzles	110 points

## Answer Key

Write the content of the marked rows or columns for the correct classic sudoku puzzles. For the incorrect classics select one of two options – sudoku with more solutions or sudoku without solution.
